# What is BAIP??

Baip is a FREE on-line program featuring tutorials in math for teachers and students. The program is designed to help teachers to understand and teach State Curricular Standards. BAIP assists teachers in aligning math instruction with Kansas indicators at grades 3, 4, 5, 6, 7, 8, and 10. It is intended as a supplement to your mathematics program.

To reserve your space contact Linda Kilgore at [lindak@nekesc.org](mailto:lindak@nekesc.org) today!

## Diana Greer

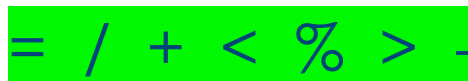

from the University of Kansas will present an overview of the program and provide hands-on support as teachers learn to utilize this FREE program featuring math tutorials for teachers and students.
